

2022 Walter Scott Pinot Noir, Freedom Hill Vineyard, Mt. Pisgah, Willamette Valley

300 Cases Produced

Established in 1982 by Dan and Helen Dusschee, the iconic Freedom Hill Vineyard has become a testament to sustainable stewardship, now thoughtfully tended by the next generation, their son Dustin. Nestled in the foothills of the Coastal range this site adorns a gentle southeast slope, protected from the Van Duzer winds, which gives a slightly warmer microclimate compared to its neighboring Eola-Amity Hills. Rooted in the ancient soils of a sedimentary, uplifted seabed, Freedom Hill's distinguished terroir is featured in the new Mt Pisgah, Polk County AVA within the expanse of the Willamette Valley.

Freedom Hill Pinot noir captivates the sense with its signature intensity, unraveling a tapestry of flavors reminiscent of brambly marionberries, grilled black cherries, and the enticing allure of violets. It boldly unravels its flavors with an interplay of fruit alongside black tea and licorice. Delighting the palate, it reveals a captivating density, woven with nuances of sweet tobacco and mineral-rich gravel while embracing velvety tannins. With our intention to balance its inherent strength with its finesse, this expression celebrates the unique potential of Freedom Hill.

Vineyard: 100% Freedom Hill Vineyard, Mt. Pisgah, Willamette Valley

Planted: 2012-2014

Soil: Marine Sedimentary / Bellpine

Farming: Organic
